**COMMENTS:**

Under the Administration of Franchise and Income Tax Law (AFITL), this bill would extend the operation of the California Public School Library Protection Fund to January 1, 2004.

The May 19, 1998, amendment eliminated the bill's provision that would have created a Public School Library Consultant and added another provision regarding services for libraries.

This provision of the bill does not impact the department or the state income tax revenue. The department's prior analyses of the bill as introduced January 8, 1998, and as amended April 14, 1998, still apply.
